Q: Do you take dogs from out of town or out of state in your program?

A: *"Yes, I do offer programs to accommodate out of town or out of state clientele. Clients ship their dog or puppy to DIA where I personally pick them up. We complete the training program and I ship the dog back to the owner fully trained. The dog is accompanied by a video of the training and how to effectively maintain it for life. There is always unlimited e-mail and phone advice."*
